A petition was received for street lights in Cascade (Flats), to be similar to those installed in other parts of the town (Mercury Vapor).

We recommend that six (6) new street lights be installed for this area, for which money has been included in the regular article covering Street Lighting.

A petition was received from the Gorham School Board and Advisory Committee for additions to the High School and Ann Lary Buildings.

We refer this project to the voters at the School District Meeting, without recommendation. However, if approved by the voters, the sum not to exceed \$205,000.00 be raised by the issuance of 20 year bonds in the name of the School District, and a sum not to exceed \$3,000.00 be raised to pay the interest on said bonds for the current (1958-59) year.

A request was received for water and sewer construction on Gordon Ave., to provide improved facilities for 2 houses now being serviced and 1 additional dwelling now under construction.

We recommend that \$2,600.00 be raised for this project.

A request was received for a water line extension on Bangor Street to service a potential housing area.

We recommend that no money be raised or appropriated for this project.

A request was received for money to spray for mosquito and black fly control.

We recommend that \$2,000.00 be raised for this project.

A request was received for money to construct a roof over the Gorham Hill Reservoir.

We recommend that no money be raised or appropriated for this project.

A request was received for money to repair the Ice Gulch Dam.

We recommend that \$3,500.00 be raised for this project.

A request was received for money to contribute to the White Mt. Regions Association.

We recommend that \$500.00 be raised for this association.

A request was received for money to purchase a new dump truck (highway use) for the town.

We recommend that \$7,000.00 be raised for this purchase.

A request was received for money to purchase snow removal equipment of the rotary (Snogo) type.

Because of the condition of the existing snow removal equipment as demonstrated by this year's snow removal problem, we recommend that \$18,000.00 be raised for the purchase of this equipment by the issuance of short-term notes, payable over a period not to exceed six (6) years.

A request was received for money to provide water to an area between the Ann Lary Cemetery and the Androscoggin River.

We recommend that no money be raised or appropriated for this project.

We recommend that the money for the following items be taken from Cash Surplus:

Dump Truck (For Highway Use)	\$ 7,000.00
Payment on Short-term Notes	7,600.00
Mosquito and Black Fly Control	2,000.00
	<hr/>
	\$ 16,600.00

We recommend that the Recreation Commission take necessary action to increase its fees at the Libby Memorial Swimming Pool enough to offset the operating expenses of the pool.

We recommend that the town approve a suitable article requiring building permits from the Board of Selectmen before any construction, renovation, major repairs or alterations are commenced.

We recommend that a competent professional secretary be employed by the town to attend all future Budget Committee meetings in order that proposals, requests, remarks and information may be more accurately recorded and presented than under the present system.

Requested Appropriation, March 1958			\$214,600.57

**Estimated Income:**

While the School Board is not required to file the estimated income until June 10, 1958, the following figures are submitted as being an accurate estimate at this time: Balance, \$9,000.00; Construction Aid, \$4,500.00; Tuition, \$17,000.00; and Miscellaneous \$2,500.00; Total estimated income, \$33,000.00.

\*The starred items are required by law to be raised as determined by proper authorities. The District determines the salaries of the District officers. The Supervisory Union Board decides the local share of the Superintendent's salary and other Union expenses. The share paid by the several Districts toward the Superintendent's salary for 1957-58 is as follows: Dummer \$157.50; Gorham, \$3,105.00; Jefferson, \$405.00; Milan, \$472.50; Randolph, \$157.50; Shelburne, \$202.50. The State Treasurer reports the amount of per capita tax, while the Teachers' Retirement Board assesses the amount for teachers' retirement and the State Employees' Retirement Association assesses the amount for the Superintendent's retirement and other district employees that belong to the system. In those towns that are under Social Security, the amount to be paid by the District is established by law.

Respectfully submitted,  
GORHAM SCHOOL BOARD

## SALK VACCINE CLINICS HELD IN GORHAM

Mr. Albert R. Wilson  
Town Clerk  
Gorham, N. H.

To the Citizens of Gorham:

During the year 1957, six Salk Vaccine Clinics were held in Gorham, sponsored by the N. H. State Department of Health in cooperation with the local School Nurse, and the Superintendent of Schools. 1580 children from Gorham attended these clinics, 320 received first injections, 304 received second injections, and 956 received third injections. We are indeed grateful for the use of the facilities at the Edward Fenn School, and to Drs. William Perkins and Francis Appleton for giving of their time and services, and especially to the volunteers, without whom these clinics would not have been possible.

It has been a pleasure to work with the Citizens of Gorham, and at this time I would like to thank them for their cooperation, and at any time I hope they will feel free to call on me if I can be of any service to them.

Respectfully submitted,

/s/ Eleanor D. Kenney  
N. H. State Dept. of Health  
Public Health Nurse serving Coos  
County

## Clean-Up-Week

---

As one of its community betterment projects for 1958, the Civic Committee of the Gorham Woman's Club will sponsor a Clean-Up-Week during the coming spring season.

Although it has been several years since a similar campaign was conducted in the Town of Gorham, it is hoped that this year's project will initiate a series of annual clean-ups. A combined effort on the part of all the townspeople will help to make Gorham a neater and more attractive place in which to live.

Dates for Clean-Up-Week, and arrangements for collecting refuse, will be announced later.

### GORHAM WOMAN'S CLUB

February 11, 1958

Signed

**Alzie Lary, President**  
**Helen Staples, Program Chairman**  
**Virginia B. Malloy, Program**  
**Marjorie H. Bell, Program**

# Report from the White Mountains Region Association

"Twenty Years of Progress"—1938-1958

It is a pleasure to be able to report on the twentieth year of successful operation of your Region Association. Reaching this milestone shows a solid record of accomplishment and mutual cooperation between the towns and the Association.

For a long time nobody knew exactly how to **prove that real hard cash** was coming into the area from our efforts. However, for the last three years we've run an annual survey of people previously contacted in some way, to find out if they ever did come here and spend any money. Much as we've always believed in this work, we were still amazed at the extent of income indicated by the survey returns. Every time, just a few parties out of the survey sample would prove to have spent around three times as much in this region as the total of all the town appropriations! Careful estimates indicate over half a million dollars a year are being spent here by people contacted through Region publicity. If that sounds like baloney, remember that the whole state does a 210-million dollar vacation business!

Demands on our literature—in which every town is represented in every folder—have never been so heavy. To cite one example, our Fall Foliage promotion (remember those bright red 'leaves' you saw on the roads? We put 'em up) got attention from as far away as Texas and California, and we had to print up an extra 3000 foliage maps in a hurry. A card we had placed in Samsonite luggage stores across the country brought in another 3,000 replies in addition to our usual requests for Region folders. All told we've sent out as usual around 100,000 pieces of material, plus pictures, news stories, radio and TV 'plugs.' We've helped all we could to promote community events here at home, while spending a good deal of time at shows and exhibitions in major cities (we are adding a new one this year, Cleveland).

The 4-H Awards Program continues to be successful and popular, and over 75 clubs throughout the region are helped and encouraged through it in this very worthwhile work by cash awards, trophies, and magazine subscriptions to clubs, members and leaders.

A lot of work has been done on transportation, a very serious situation here. Active work has been done trying to save what we can of our rail passenger service. Much correspondence and attendance at hearings have been aimed at improving the airline service. We have been working with the bus companies planning a campaign with them, since the rail situation seems to be so shaky. We have kept in close touch with the highway situation, hoping Region roads may receive necessary attention.

The items above are brief highlights, and there is much more going on continuously. This is a full-time, year-round effort aimed at benefiting **you and your town**—that's the only reason this Association exists, to bring about conditions that bring in money that eases the tax 'bite' on your pocketbook. Your support makes it possible, and we thank you for it.

Respectfully submitted,

DAVID S. CASSEY  
Executive Secretary
